Dearest Mother and Daddy:

Getting pretty well settled now. Had a splendid trip moving one week ago to-morrow afternoon. So many good neighbors were awaiting our arrival & soon had the big truck unloaded & everything quite tidy. We all like our big roomy house with its three large porches. Seems large especially compared to the little parsonage at Bentonville.

Girls are in their room napping & I'm joining them shortly. Young people's service to-night. Such fine people here & the finest part so many ardently love the Lord.

Hope to get at least a card from you soon. Trust to get a letter written to you before the week closes. Must work to-morrow.

Kiss our love to all. Dearest of love from us. Ellen.
